

Special Meeting to Approve Logo- Approved 12/10/2019

12/4/2019 Wednesday

Hello everyone,

Thank you for your feedback today. We conducted the meeting at 10am via "Go To Meeting" conference call and Abel, Malcolm, Ralph, Al, Chuck, Lily and Rebecca were present.

It was decided that we would approve a logo today, rather than form a committee to continue working on and refining the logo.

That being said, Option B was selected from a majority vote (see attachment). Ralph moved to approve Option B as our new District logo, and Malcolm seconded the motion. The motion carried unanimously.

Rebecca will work with Aaron at Dizzy Bird finalize this logo.

Thank you all for your input and time on this. We sincerely appreciate it.

Meeting was adjourned at 10:20 am

Best Regards,
Rebecca
