

HOLIDAY FARM FIRE

SOIL TESTING FOR HOME GARDENS

Free Home-Garden Soil Testing for residents living within the Holiday Farm Fire Burn area began on March 1, 2023, and goes thru June 1, 2023 (one soil sample per household), with test results provided in time for garden preparation. The home-garden soil tests will test for nutrients and Ph balance, and test results will include information on soil deficiencies and recommended inputs. **The UWSWCD will provide 150 free home garden soil tests for 2023. This is a first come, first serve program.**

Instructions: 1) Fill out this form 2) Attach the form to your soil sample bag to ensure you receive your test results. 3) Label your sample bag with your last name using a sharpie pen. 4) The Soil Samples are picked up every Wednesday from this location and delivered to the Upper Willamette SWCD on Thursdays for processing. 5) Your soil analysis results will arrive via your email or alternative delivery options (please indicate your preference below) within approximately two weeks of delivery to the UWSWCD office.

HOLIDAY FARM FIRE SOIL SAMPLE CUSTOMER FORM

Name: _____ Today's Date: _____

Address: _____ Phone: _____

Mailing Address: _____

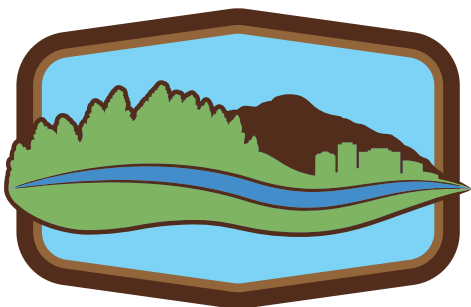

Email Address: _____

** (We provide soil sample results via email; if you do not have an email address or do not provide one, we will mail the results or arrange alternative delivery options.)

Prefer alternative delivery for soil sample analysis.

Indicate your preference for alternative delivery here, and someone will contact you:

Intended Crop - MUST BE INCLUDED (ex., Fruit trees, vegetable garden):
